

“ONE NATION UNDER GOD”

www.westillpray.com

- The N.C. Atheists purchased billboards in six cities across our state. These boards quote the Pledge of Allegiance, leaving out the phrase “ONE NATION UNDER GOD”.
- By studying the principles of our heritage and the intent of our nation's founding fathers, it is clear they wanted the government out of our churches, but never intended for God to be removed from our society!
- Our nation is in crisis today and we remind you that we need the Lord, and need to be “ONE NATION UNDER GOD.”
- Please share this urgent message of “ONE NATION UNDER GOD,” and pray for our nation and our citizens. Visit us online at www.westillpray.com, or send comments and requests to this address:
